- اندنوت یکی از بهترین و جامعترین نرم افزارهای مدیریت منابع و مراجع حین نوشتن پایاننامه و دیگر متون پژوهشی می باشد.
- ورود مستقیم منابع از فهرستهای کتابخانه ای و پایگاهها به نرم افزار
- امکان سازماندهی منابع در گروههای جداگانه و جستجو در بین آنها
- امکان اتصال به WORD برای ایجاد و به روز رسانی استنادها به صورت اتوماتیک در مدرک
- دارای تعداد زیادی سبکهای کتابشناختی برای قالب بندی مقاله به طور اتوماتیک بر اساس سبک استنادی مورد نظر
- نسخه تحت وب در پرتال Web of Science
- الصاق متن کامل مقالات، جدول، نمودار و ... به منابع ذخیره شده در نرم افزار

Set up EndNote Library

If you already have an EndNote library, please locate it and we'll get it set up.

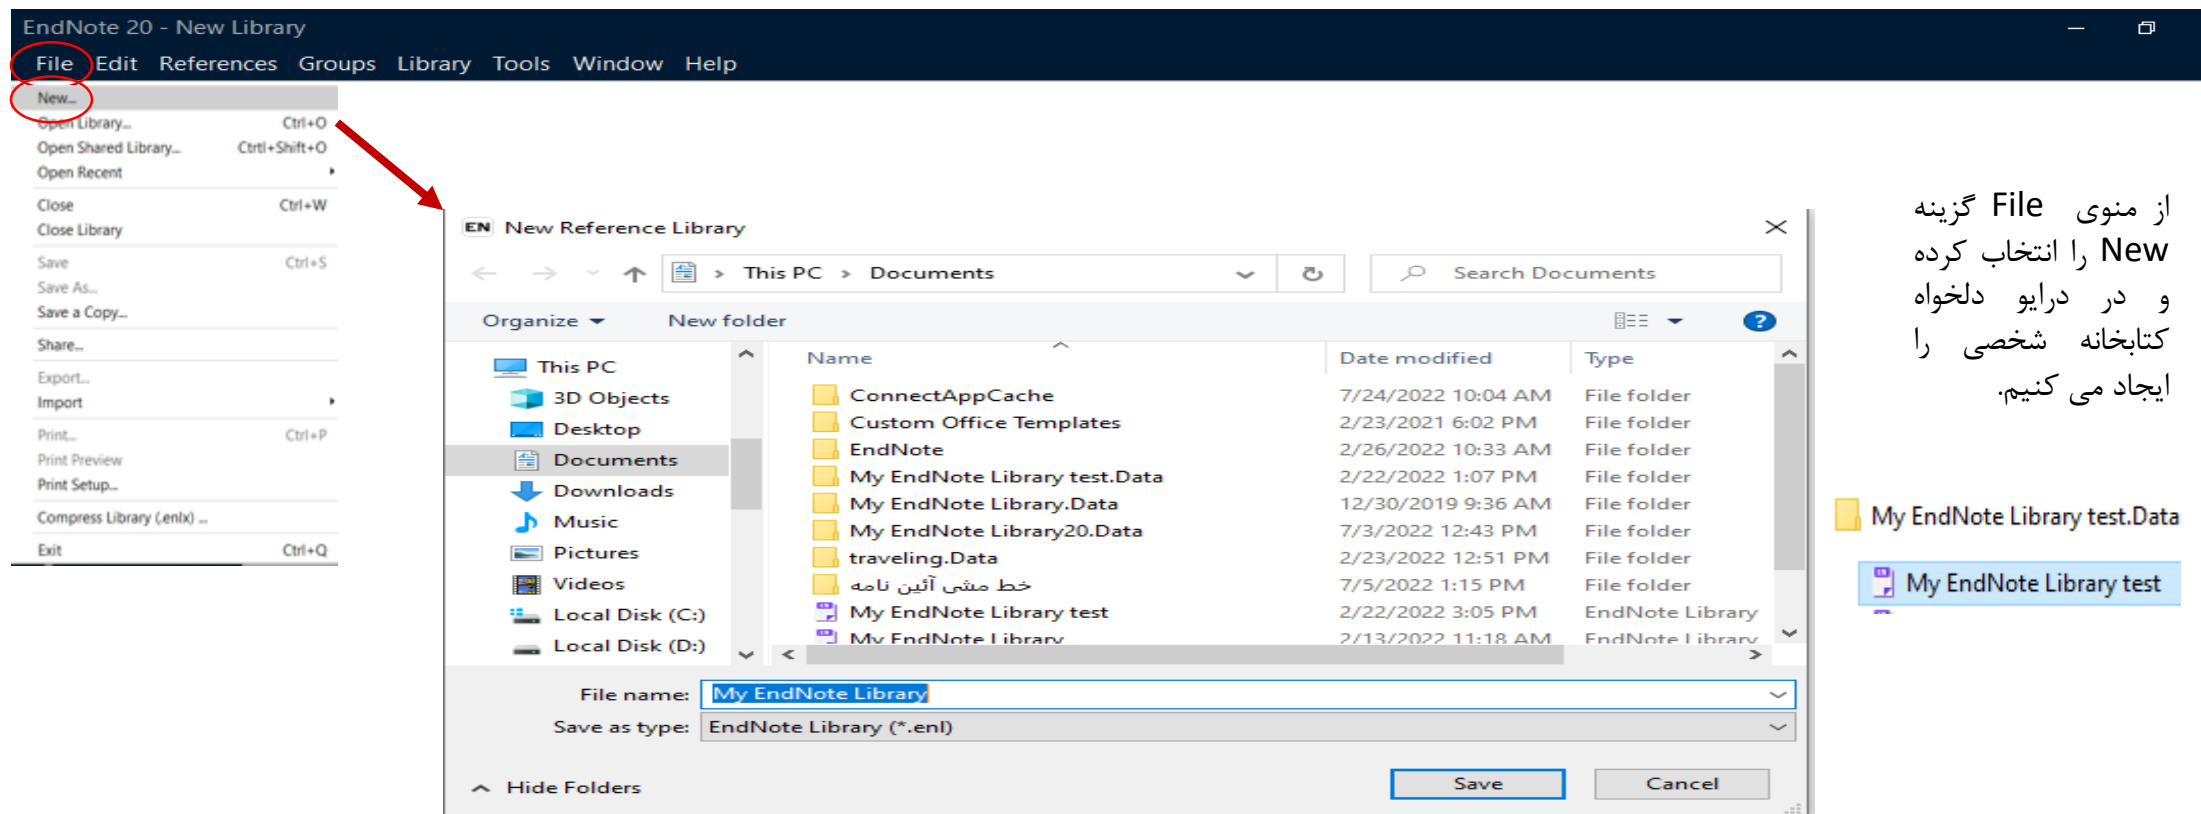

Open an existing library

Alternatively, you can start from scratch with a new library.

Create a new library

بعد از نصب اندنوت و اجرای آن برای استفاده از این نرم افزار لازم هست تا کتابخانه شخصی برای خود ایجاد کنیم و یا اگر از قبل در کامپیوتر خود کتابخانه ای داریم آنرا اجرا کنیم.

ایجاد کتابخانه شخصی

کتابخانه شخصی (پنل ها)

The screenshot shows the EndNote 20 interface with the following components highlighted by red boxes:

- Left Panel:** Contains navigation options like 'Sync Configuration', 'All References', 'Recently Added', 'Unfiled', 'Trash', 'MY GROUPS', 'FIND FULL TEXT', and 'ONLINE SEARCH'. A red box highlights this entire panel with the Persian annotation 'پنل نمایش گروهها' (Group display panel) in yellow.
- Top Search Bar:** Labeled 'All References' with a search input field and a magnifying glass icon. A red box highlights it with the Persian annotation 'پنل انجام جستجو' (Search execution panel) in red.
- Central Reference List:** Titled 'All References' and '0 References', it features a table with columns for Author, Year, Title, Rating, and Journal. A red box highlights this area with the Persian annotation 'پنل نمایش رفرنس ها' (Reference display panel) in red.
- Right Panel:** Displays 'No reference selected' and a large empty area for details. A red box highlights this area with the Persian annotation 'پنل نمایش جزئیات رفرنسها' (Reference details display panel) in red.

At the bottom, there is a 'Search for group' input field.

Implementation and prospective evaluation of the Country Heart Attack Prevention model of care to improve attendance and completion of cardiac rehabilitation for patients with cardiovascular diseases living in rural Australia: a study protocol

A. Beleigoli, S. J. Nicholls, A. Brown, D. P. Chew, J. Beltrame, A. Maeder, et al.

BMJ Open 2022 Vol. 12 Issue 2 Pages e054558

Accession Number: 35173003 PMCID: PMC8852732
DOI: 10.1136/bmjopen-2021-054558

<https://www.ncbi.nlm.nih.gov/pubmed/35173003>

INTRODUCTION: Despite extensive evidence of its benefits and recommendation by guidelines, cardiac rehabilitation (CR) remains highly underused with only 20%-50% of eligible patients participating. We aim to implement and evaluate the Country Heart Attack Prevention (CHAP) model of care to improve CR attendance and completion for rural and remote

نکته:
تنها زمانی اطلاعات را به صورت دستی وارد نمایید که نتوانید آن را در اینترنت پیدا کنید.
در **Reference Type** حتما نوع منبع را مشخص نمایید.
در فیلد نویسنده ابتدا نام خانوادگی نویسنده یک کاما یک فاصله و نام کوچک را وارد نمایید.
در صورتی که منبع چند نویسنده دارد هر کدام را جداگانه در یک سطر وارد نمایید.
در فیلد **DATE** فقط ماه و روز را وارد نمایید و سال را در فیلد **Year** وارد نمایید.

ورود اطلاعات (پایگاه اطلاعاتی Pubmed)

The screenshot shows the PubMed.gov interface. At the top, the NIH logo and 'National Library of Medicine' are visible. A search bar contains 'heart attack'. Below the search bar, there are buttons for 'Save', 'Email', and 'Send to' (which is circled in red). A dropdown menu is open from 'Send to', showing options: 'Clipboard', 'My Bibliography', 'Collections', and 'Citation manager' (which is also circled in red). The search results show 84,118 results. The first result is 'Heart attack Symptoms and Response Among Adults - United States, 2017.' by Tang J, Lencastre C, Ayala C, Odom E, Loustalot F. The second result is 'Understanding myocardial infarction.' by Saleh M, Ambrose JA. The interface includes filters on the left, a results by year graph, and text availability options.

حذف منابع تکراری

The screenshot displays the EndNote 20 software interface. The 'Library' menu is open, and the 'Find Duplicates' option is highlighted. A dialog box titled 'Find Duplicates' is open, showing a comparison of two records. The records are:

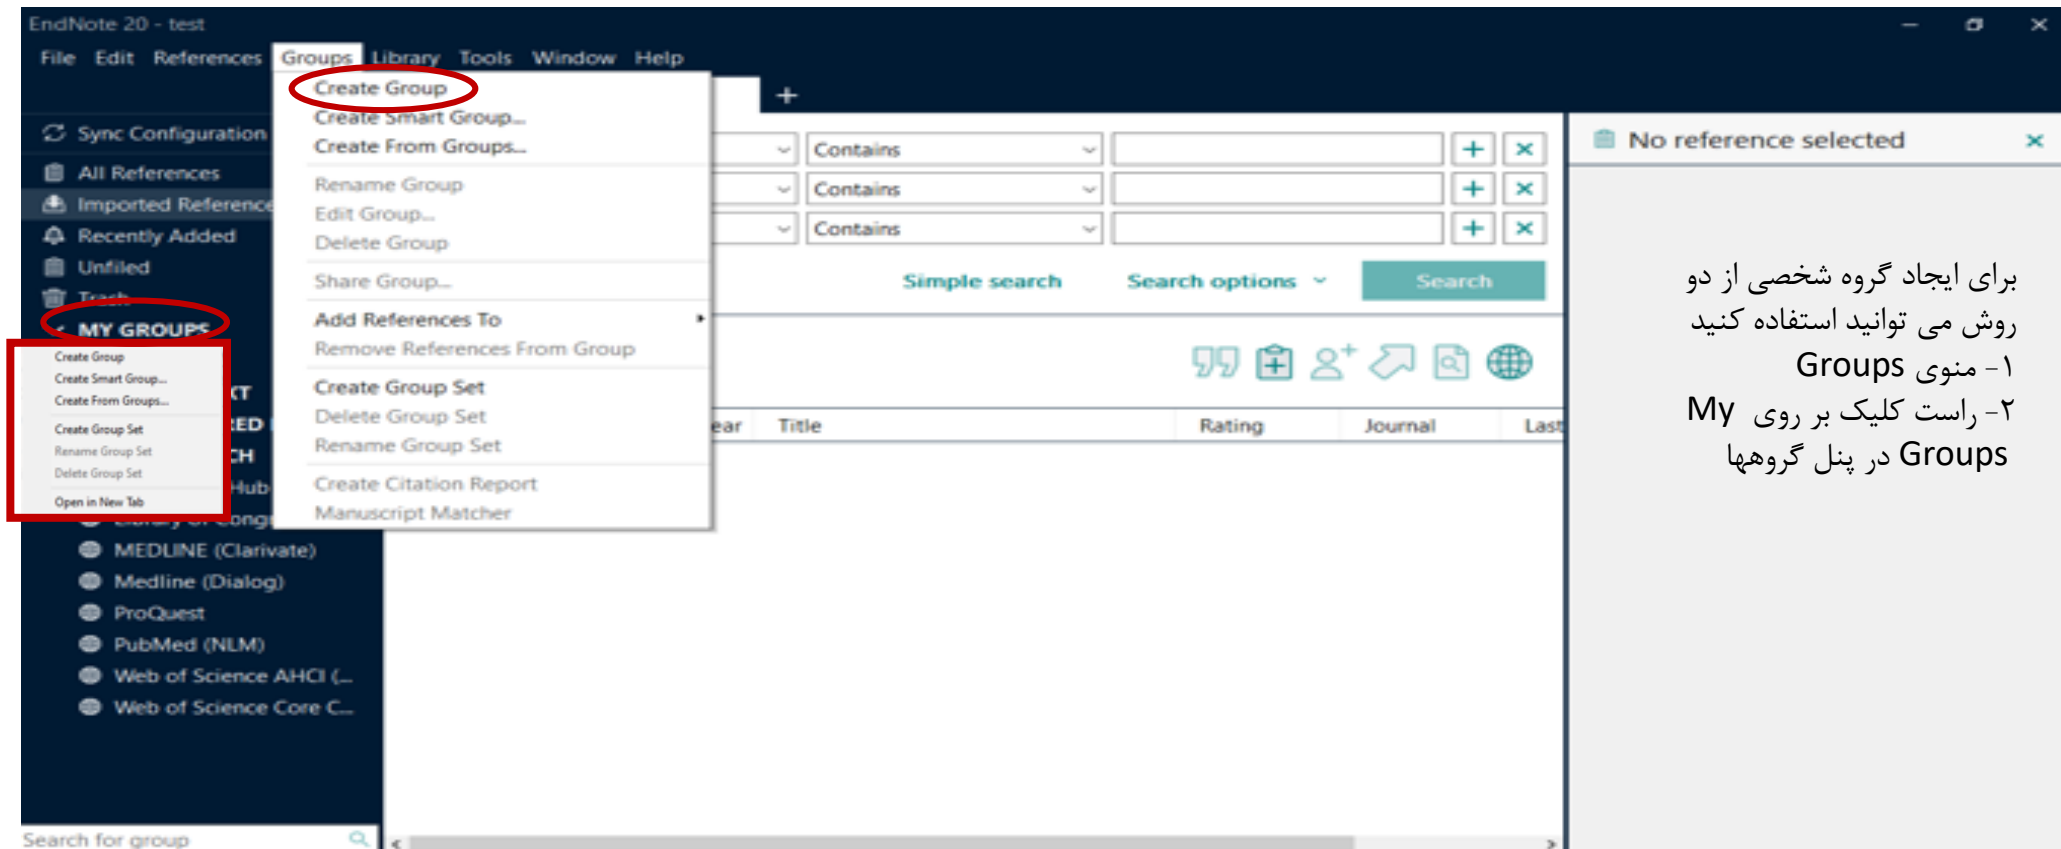

- Beleigoli, 2022 #1
- Beleigoli, 2022 #15

Both records are identified as 'Journal Article' and list the same authors: Beleigoli, A., Nicholls, S. J., Brown, A., Chew, D. P., Beltrame, J., Maeder, A., Maher, C., Versace, V. L., Hendriks, J. M., Tideman, P., and Kaambwa, B. The dialog box prompts the user to 'Select the record to keep. The record not selected will be moved to the Trash. Select Skip to go to the next set of duplicates.' Buttons for 'Skip', 'Cancel', and 'Keep This Record' are visible.

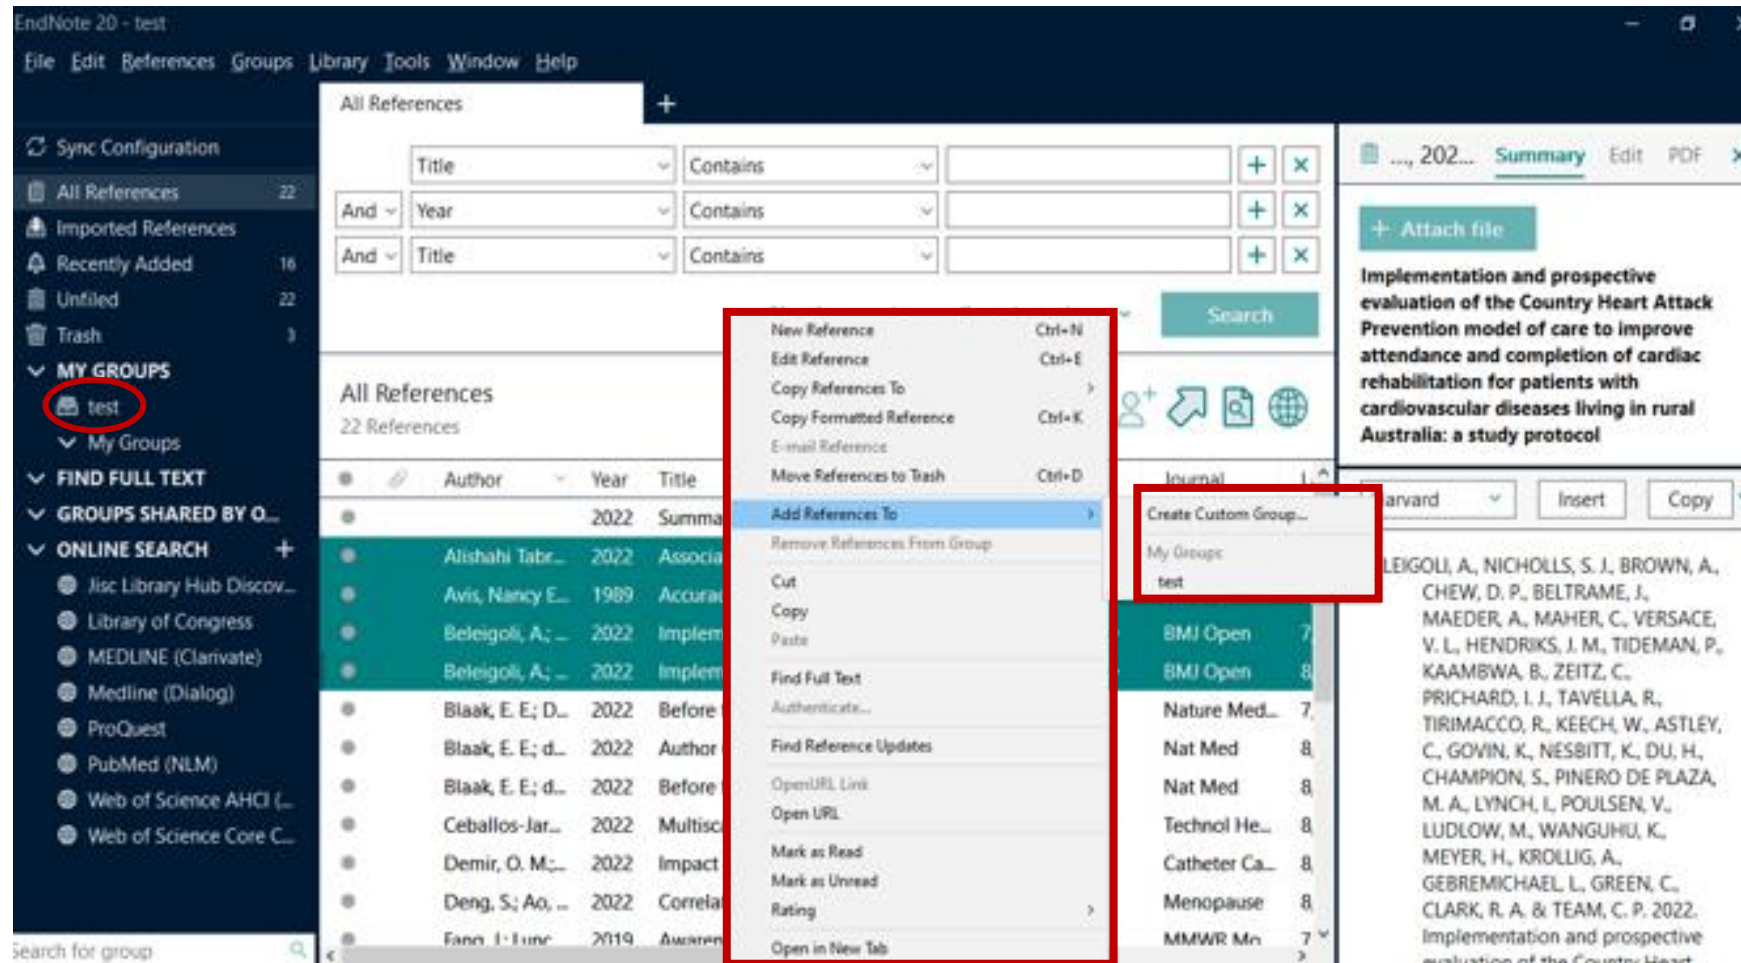

ساماندهی منابع (گروهها)

- ایجاد گروه شخصی (Creat Custem Group)
- ایجاد گروه هوشمند (Creat Smart Group)
- Creat Group Set ایجاد سرگروه برای دسته بندی گروهها (Set Groups is for Organize Groups)
- ایجاد گروه ترکیبی [Creat From Groups (Combined Group)]

گروهها (Custom Group)

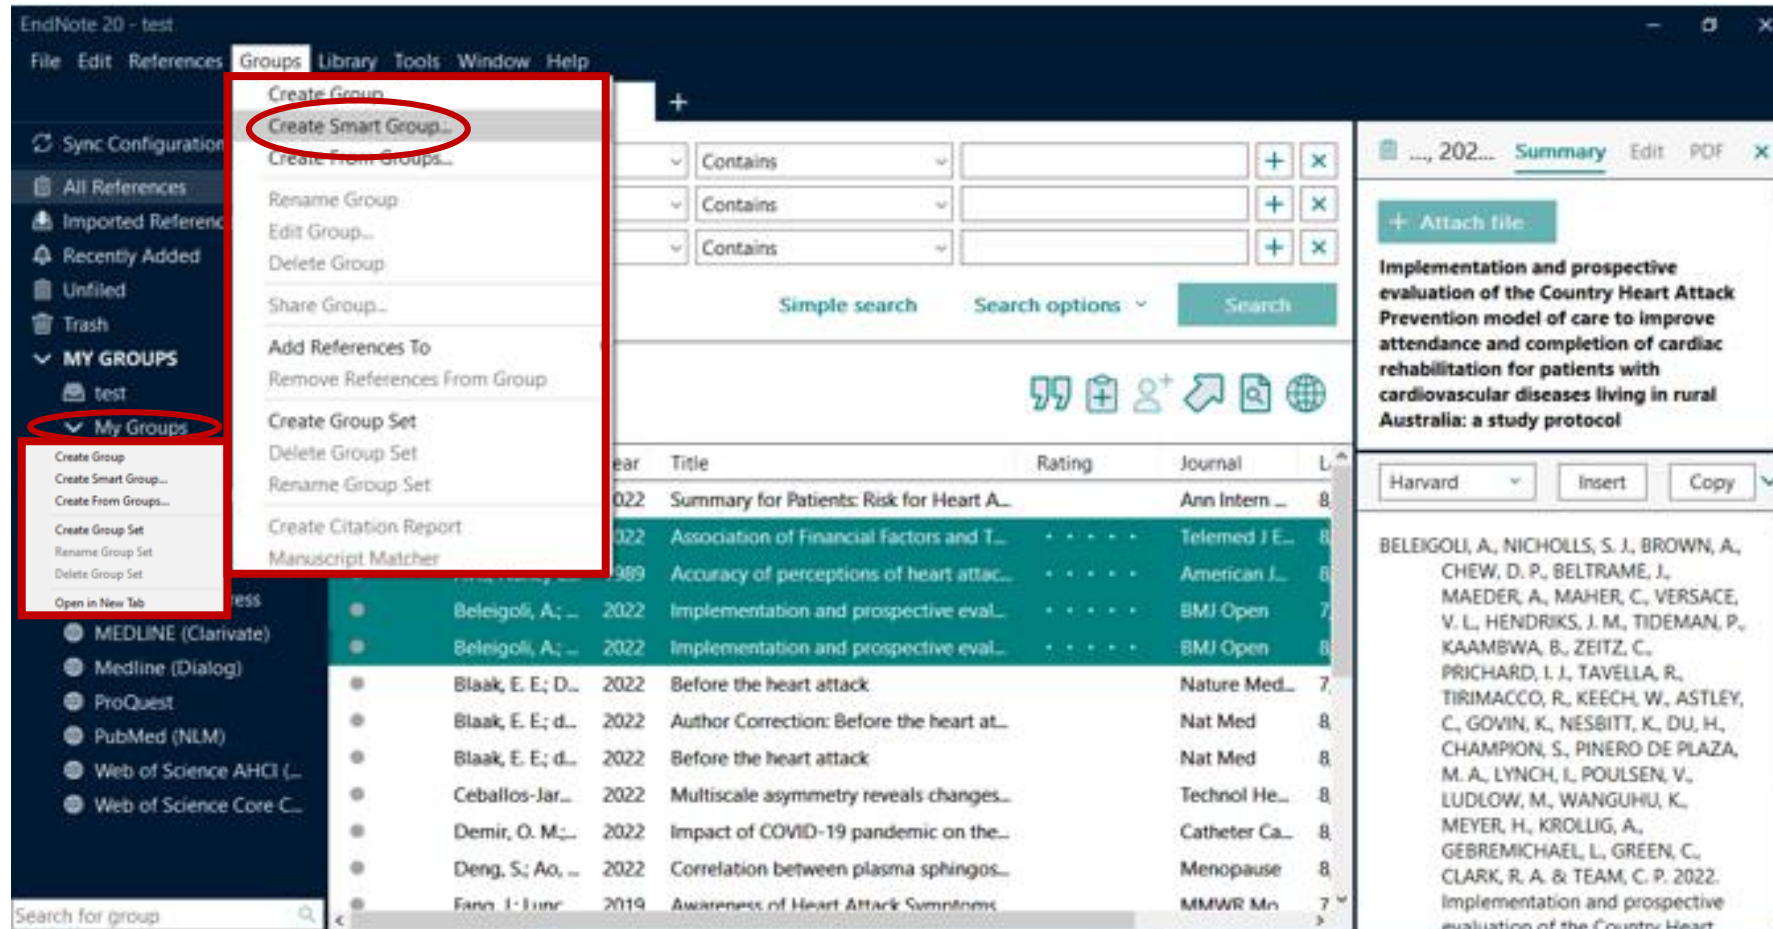

گروهها (Custom Group)

بعد از ایجاد گروه شخصی می توانید منابع خود را در این گروهها ساماندهی نمایید.

گروهها (Smart Group)

گروه هوشمند گروهی است که با توجه به استراتژی که در ایجاد آن تعریف می کنید با انتقال منابع جدید به صورت خودکار روزآمد می شود.

گروه‌ها (Smart Group)

The screenshot shows a 'Smart Group' dialog box with the following elements:

- Title:** 'Smart Group' with a close button (X).
- Smart Group Name:** A text field containing 'New Smart Group'. A red circle and arrow point to this field with the label 'نام گروه' (Group Name).
- Criteria Table:** A table with three rows of criteria. Each row has a logical connector (And), a field name (Title, Year, Title), a comparison operator (Contains), and a value field. Red arrows point to the value fields.
- Buttons:** 'Options', 'Create', and 'Cancel' buttons at the bottom. A red arrow points to the 'Create' button.

Connector	Field	Operator	Value	Add	Remove
	Title	Contains		+	X
And	Year	Contains		+	X
And	Title	Contains		+	X

اساس کار گروه هوشمند بر روی استراتژی جستجوی تعریف شده می باشد مثلا اگر تعداد زیادی از منابع شما در نرم افزار در عنوان کلید واژه عبارتی **Heart attack** را دارا می باشند می توانید در فیلد عنوان این عبارت را وارد و در فیلدهای دیگر نیز تغییراتی بر اساس استراتژی مورد نظر خود بدهید و در پایان **Create** را کلیک نمائید گروه هوشمند شما ایجاد و به طور خودکار روزآمد می شود.

Summary for Patients: Risk for Heart Attack After Eye Procedures

Ann Intern Med 2022 Vol. 175 Issue 5
Pages 122

Accession Number 35313117 DOI:

Harvard Insert Copy

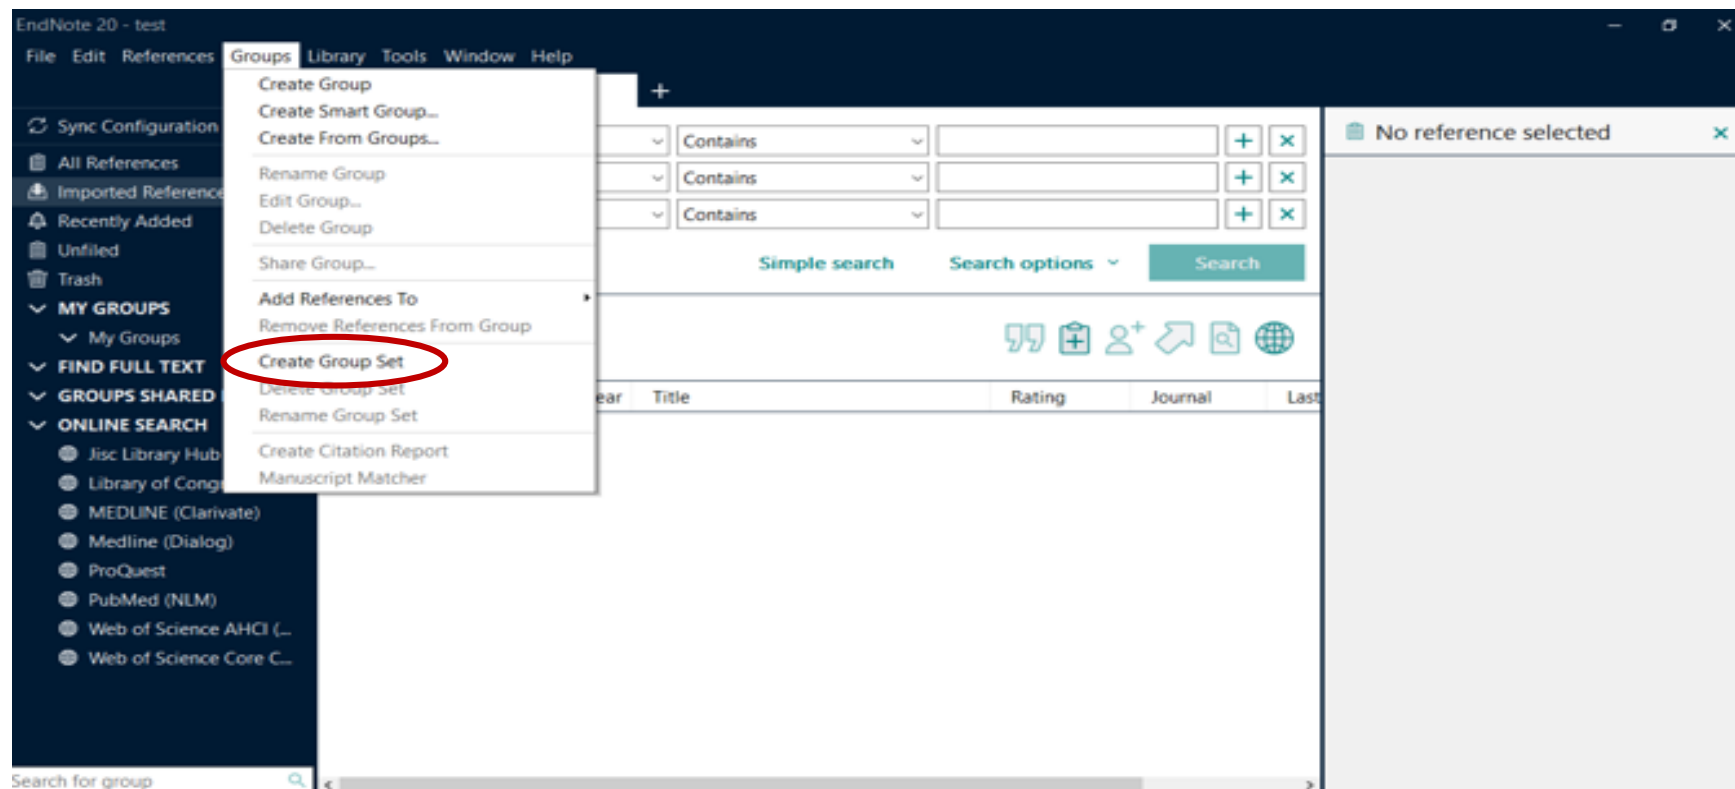

2022. Summary for Patients: Risk for Heart Attack After Eye Procedures. Ann Intern Med, 175, 122.

گروہها (Smart Group)

Examples of Comparison Operators in Searches

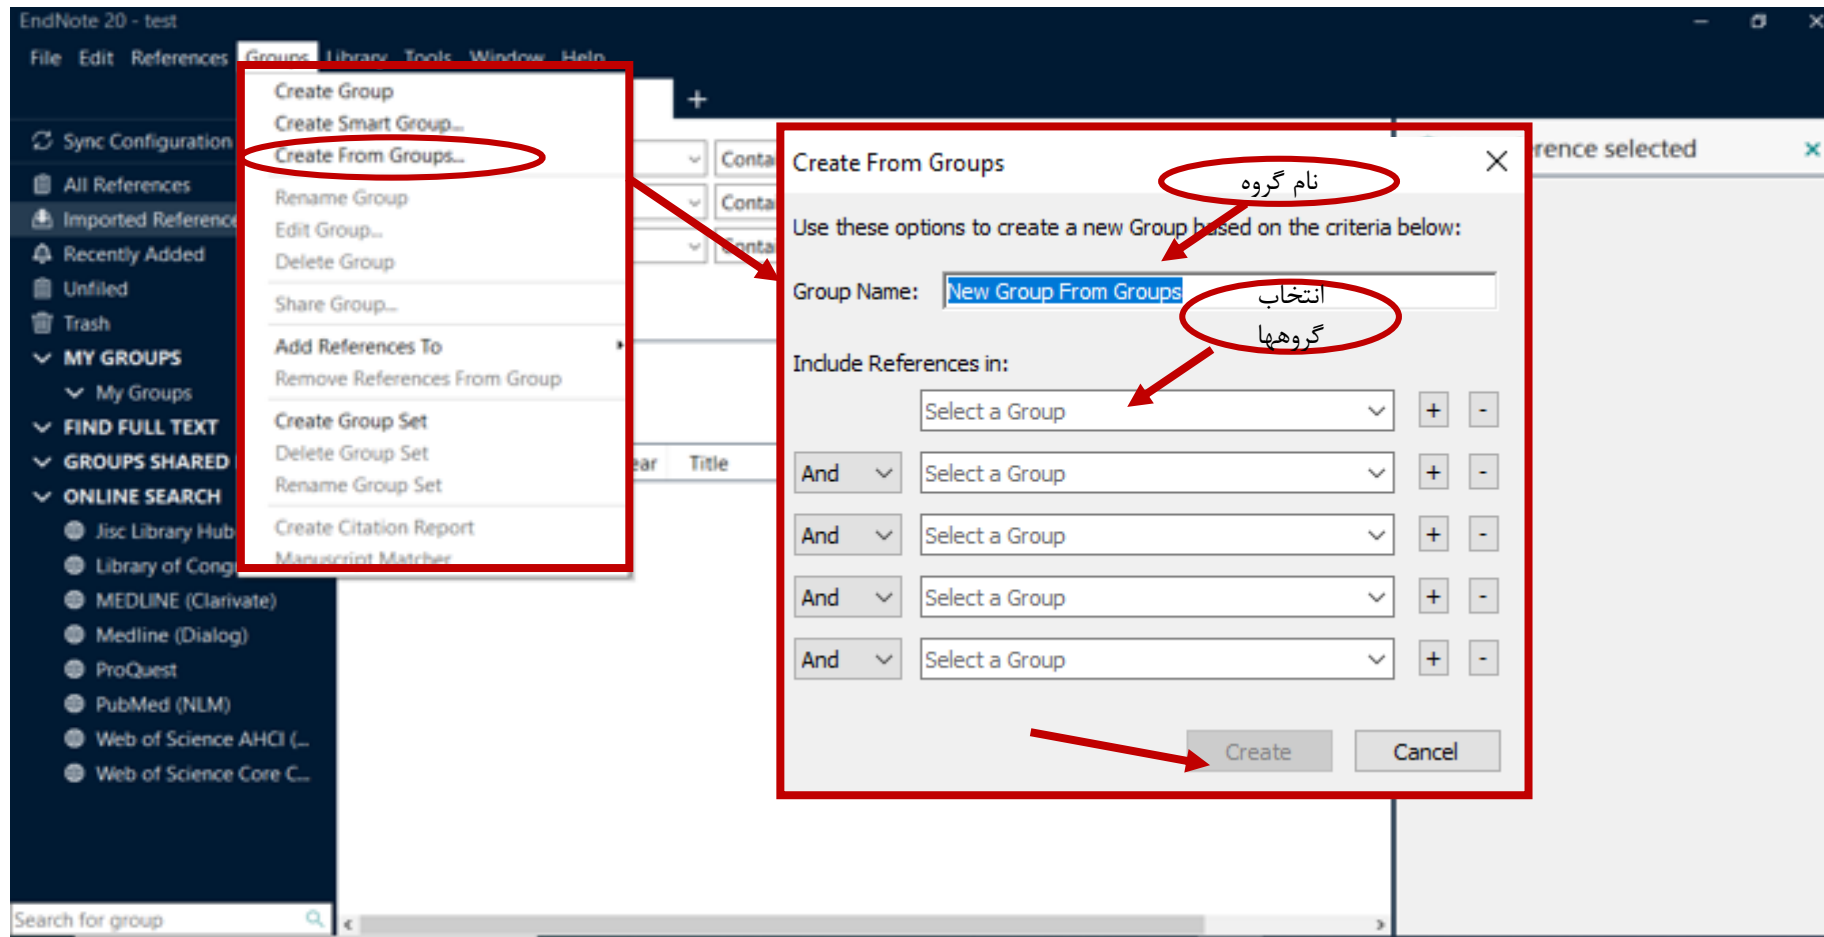

Field	Comparison Operator	Search Term	EndNote Finds
Year	Is greater than	2020	all references published after 2020
Year	Is less than	2020	all references published before 2020
Year	Is greater than or equal to	2015	references published during or after 2015
Title	Is less than	A	all references where titles start with a number
Author	Is less than or equal to	C	all references with authors whose last names begin with A, B, or a number; this would not match a name such as "Carter," as "Ca is greater than C
Author	Is greater than or equal to	S	all references with authors whose last names begin with S-Z
Title	Contains	bird	all references with "bird" in the title
Title	Is	bird	all references with "bird" as the exact title, "birding" or "birdlike" would not be found
Abstract	Is		all references with no abstract (empty field)
Title	Field begins with	bird	all references where titles start with "bird" including "birding," and "birdlike behavior," but not "Once a bird"
Abstract	Field ends with	bird	all references where abstracts end with "bird," which would include "a single bird," but not "two birds" or "birding"
Any field	Word begins with	house	all references where any field includes a word that begins with "house," which would include text such as "U.S. House of Representatives" and "household," but not "greenhouse"

به اشتراک گذاشتن کتابخانه

The screenshot displays the EndNote 20 software interface. On the left, the 'File' menu is open, and the 'Share...' option is circled in red. A red arrow points from this option to the 'EN Sharing' dialog box. The dialog box has a 'Find People' search bar at the top. Below it, a table shows sharing details for 'vazlib@gmail.com' with 'Read & Write' permission and a 'Pending' status. The 'Invite More People' section contains a text field for email addresses, a 'Permission' dropdown set to 'Read & Write', and an 'Add a message' text area. A red arrow points from a text box to the email input field. The background shows a list of references, with 'heart attack' selected in the left sidebar. The bottom status bar indicates 'You are sharing your library with 1 people out of a possible 14.'

The screenshot displays the EndNote application window. On the left, a sidebar lists various groups, including 'test'. A context menu is open for the 'test' group, showing options such as 'Create Group', 'Create Smart Group...', 'Create From Groups...', 'Rename Group', 'Delete Group', 'Share Group...', 'Create Citation Report', 'Manuscript Matcher', 'Create Group Set', 'Rename Group Set', and 'Open in New Tab'. The 'Share Group...' option is highlighted. The main pane shows a search results table with columns for Year, Title, Rating, Journal, and Reference. The table lists several references from 2011 and 2012. On the right, a detailed view of a selected reference is shown, including a summary and a link to the full text.
